Seoul, Republic of Korea
www.infinitysav.com

Dear potential distributor!

We are glad that you interested in our product and wish to become our distributor.

First of all, please read the requirements on our website www.infinitysav.com/distributors.

One of the requirements of future strategic relationship and the name of you as our Exclusive Distributor is a visit of our office, attendance at the presentation and meeting with our team in Seoul. As a result, the signing of a Distribution Agreement.

This visit will have considered as a guarantee of the seriousness of your intended to be our Exclusive Distributor.

Before your arrival, we are ready to answer all your questions by email or by phone.

To certify your intentions and organize a presentation individually for you prior to coming to Seoul, Republic of Korea, you as a participant must pay a fee of 5% (\$6,000 USD or €5,000 Euro) of the value of the Distribution Agreement. This fee will cover your stay in Seoul in the hotel within 2-3 days, delivery to our office, presentation, negotiations and our expenses for a meeting with you. In the future, this amount will be subtracted from the amount of Distribution Agreement.

Proposal for a distributor

1. For cooperation with Infinity SAV signed a distribution agreement.
2. Infinity SAV Company undertakes within the specified time to provide a fully functional production unit of the Fossil Fuel Free Generator and third party verification of performance.
3. Distributor is obliged to pay a deposit amount of €100,000 Euro within 5 (five) working days after the signing of Distributor's Agreement.
4. Distributor agrees to open its new company with the name "Infinity SAV <country of distribution>" within the specified time.
5. The Distributor must have facilities for the holding of the presentation device. The company must include trained staff of engineers, operational specialists and sales managers.
6. The Infinity SAV company undertakes to provide all the necessary certificates and documentation for the products.

Terms of cooperation that we offer involve:

- The discount system for distributors is 30%.
- Subject to the signing of a distribution agreement, provided the allocation of the territory for the distributor.
- Full technical support and staff training.

We look forward to a successful working relationship in the future.

We are looking forward to your reply.

Sincerely,
